

## Instructions

**(1) Overview** On Day 2 of the Public Meeting, the committee will be breaking into small teams to review the draft report section-by-section over the course of five "Breakout Sessions". Below, please find a list of the review teams as well as a schedule with their review assignments for the meeting.

**(2) Details** Each team will be staffed by a "scribe" that will incorporate their revisions in real time via google docs. Each team will be starting with a fresh google doc (i.e., they will not see other teams' revisions as the day progresses) during each breakout session. At the end of the day, FAC staff will convene to adjudicate edits and consolidate all feedback into a single document before the start of Day 3 of the public meeting.
