

IOOS National Office Updates

Krisa M. Arzayus, Ph.D.
DFO, U.S. IOOS Advisory Committee

June 29, 2023

U.S. IOOS AC Membership Succession

Membership Terms

- The Committee is comprised of ~15 members
- Members serve up to 2 three-year terms
- September 13, 2024: 10 of current 15 members will be rotating off of the committee, including the chair and vice-chair
- All committee members are submitted for appointment by the NOAA Administrator, including those nominated for a second term.
- The Chair must be appointed by the NOAA Administrator. (reference: [charter](#))
- The vice-chair is selected from the appointed memberships and voted on by the Committee.(reference: [bylaws](#))

Members eligible for a second term

- Jason Biggs
- Dan Costa
- Catherine Edwards
- Eoin Howlett
- Julio Morrell

Discussion:

- Next Chair- new member or existing member?

Member balance plan perspectives

- Member balance plan areas of expertise/perspectives:
 - Scientific institutions
 - Marine Technology industries
 - Ocean and Great Lakes observing systems
 - Coastal & Great Lakes user communities (Shellfish, Finfish, Aquaculture, Ocean Energy)
 - Non-governmental organizations (Ocean conservation, recreation, non-consumptive use)
 - State, Local, Tribal interests
 - National/International Ocean Leadership
 - Modeling (Ocean & Great Lakes Simulation and Prediction)
 - Data management, [data science], and data sharing practices
- Discussion: any gaps/changes?

Member alignment with balance plan
